(PN: 1ACUNIT-G2)
on Club Car Carryall

ON THE JOB OR

ON THE GO

Overhead Console

- ① Lighted on/off switch
- ② 3-speed blower control
- ③ Boost button
- ④ 4 adjustable vents

EXCEPTIONAL VALUE FROM CURTIS

Features

Benefits

Dynamic load control system/software	Manages vehicle power with minimal draw
Low-profile unit is integrated into the custom replacement roof	Stylish look. Integrated unit and control panel reduce installation time
Overhead console features lighted on/off switch, 3-speed blower control, 4 adjustable air vents and boost button	All controls are located within easy reach. Console does not interfere with optional factory accessories
Available for Key Start, Pedal Start & 48V Electric Vehicles	Regardless of your vehicle type, Curtis can keep you cool
System is pre-charged with refrigerant – no complicated initial set up	Fast, easy installation in about 2 hours

Exterior Unit

- Ⓐ Cover removes easily for access to internal components such as fuses
- Ⓑ Air vents draw fresh air up through the condenser
- Ⓒ Fully self-contained refrigeration components
