Shown on Gator Factory Cab*

**A Great Investment Whether Replacing A Broken Factory Door or Buying New Fits 2004+ 620i, 625i, 825i, 850D & 855D Gators with a #4004 Deluxe Cab Frame**

## CURTIS PREMIUM FEATURES

**Extreme Ventilation:** Sliding windows in both doors provide better summertime ventilation than a one-piece glass door with no ventilation.

**Lower Cost to Own:** Durable multi material design is 70% less likely to break or shatter than glass only.

**Extremely Durable:** Incorporates powder-coated aluminum, plexi lower windows and high-mount glass sliding windows for longer life.

**Easy Removal and Storage:** While both door sets remove easily, storing all glass doors can be problematic.

**Door Fit:** Keeps the wind, rain and snow out of the cab
