Mounts to square or rectangular ROPS structures.

ARTILLIAN LED WORK LIGHTS FEATURES

Most Innovative ROPS Mount Lights Available

On/Off rocker switch on each light

Mount allows lights to adjust up to 360° in 10° increments.

Pull - Rotate - Release, no tools required to adjust lights

Internal compression spring locks the light in position.

Kit includes 2, 3-inch round LED work lights and all mounting hardware

12 watts, 1.0-amp draw - IP67 rated

Aluminum mounting plate

Artillian Elite Series

ARTILLIAN QUALITY ACCESSORIES

UNIVERSAL CANOPY

Lightweight ROPS-Mount Aluminum canopy features integrated handles with quick-release latch for easy removal. Turn the canopy to the rear-facing position for shade while operating the backhoe.

WORK LIGHT HORSE BLINDERS

ROPS mounted auxiliary work lights are a great help when working in the dark, but can be blinding when turning to look to the side or the rear. Blinders are a simple inexpensive solution that installs in minutes with a few basic tools.

DIVERTER KITS

Add a third hydraulic circuit to your loader for operating our Grapple, Plow Adapters or other hydraulic loader attachments of your choosing.
